

MEET THE SCHOOL LIAISON

HOW CAN I HELP?

As the School Liaison here at ACCA, I have the privilege of working school hours. I am available M-Th throughout the school day and Friday afternoons.

My goals are to improve attendance and grades, help with navigating challenges, respond to crisis, strengthen partnerships between home and school, and make connections with community resources when needed.

I enjoy meeting people so please say hello. I look forward to meeting you.

I am here to help!

ABOUT ME

Hello! I'm Ms. Brooke. I am married and have three kids. My son is a Combat Medic in the U.S. Army and lives in Colorado. My girls are in 7th and 10th grade. My dog's name is Boss, and he is the boss in our house! I love food but I dislike cooking.

I really like super hero movies. Wonder Woman is my favorite! I was born and raised in Ohio. I like to travel but LOVE when I get back home. Weird fact: I believe that Ohio smells green!
