Please call the ACCA Principal (419) 903-0295 with any questions or concerns about medications at school.

### ***EMERGENCY MEDICAL AUTHORIZATION FORMS***

All students are to fill out the Emergency Medical Authorization forms. The purpose of this form is to authorize emergency treatment for children who become ill or injured while under school authority, when parents cannot be reached.

### ***ATTENDANCE EXPECTATIONS AND REGULATIONS*** \_\_\_\_\_

Students are considered habitually truant when the student is absent for at least:

- 30 consecutive hours without a legitimate excuse (formerly 5 days);
- 42 hours in one month without a legitimate excuse (formerly seven days);
- 72 consecutive hours in one school year with/without a legitimate excuse (formerly 12 days);
- 38 hours in one month regardless of excuse; or
- 65 hours in one school year regardless of excuse

House Bill 410 requires that a school notify the student's parent/guardian within 5 days of 30 consecutive hours of unexcused absences.

## Withdrawal

By law, a student will be withdrawn automatically if the student fails to participate in 72 hours consecutive hours of learning opportunities and the absence is not excused. The school will make several attempts to contact the student and parent/guardian by making calls home, sending warning letters, assigning the student to an attendance intervention team, and/or filing truancy charges. The student's home school will be advised that the student has been withdrawn from ACCA.

## **STUDENT RELEASE**

After obtaining verbal permission from the parent/guardian, any student under the age of 18 may leave the building only if parent/guardian is present to sign them out. Upon *verbal permission* from the parent/guardian, an approved designee may sign them out. A parent/designee list will be provided and included in each student's file (student's will not be permitted to with leave with anyone under the age of 18). Please note that any excused/unexcused absences from school still counts toward state and school attendance policies.

Students who are 18 years of age or older, with legitimate reason, have the ability to sign themselves out. However, any excused/unexcused absences from school still count toward the state and school attendance policy. These students will also be required to sign an "acknowledgement waiver" signifying their understanding they are choosing to miss instructional time that could impact their ability to earn credits, graduate, or the ability to attend this school. Once an adult student leaves the building, they will not be permitted to re-enter the building, unless approved by administration.

## **MAKE-UP WORK**

Make-up work is the responsibility of the student. Make-up work should be completed within the number of days the student was absent. *For example, a student absent for one day has one school day to make up the work.* In cases of unexcused absences, teachers are not obligated to provide make-up work. In other words, students should not expect teachers to "re-teach" missed material or provide missed assignments because of repeated unexcused absences. Students will have an advisory period every day, where they can touch base with teachers and complete missing work (*if applicable*). After school tutoring is available for students who need extra assistance with make-up work and can be arranged by contacting the main office.

## **EXTRACURRICULAR ACTIVITIES**

Students at ACCA are eligible to participate in any club, organization, or extracurricular activity sponsored by the school. This privilege is extended to any student who meets the expectations established for academic performance and conduct. These activities would include but not be limited to all clubs, student council/class organizations, athletic programs, academic competitions, honor and award programs, intramurals, dances, drama productions, and music performance events. The student parking area is considered school property and **all rules and expectations of behavior and conduct will apply**. If a student needs to park close to the school due to medical or safety needs please notify the main office.

## **CELLPHONE/PERSONAL ELECTRONIC DEVICES**

Cellphones are a privilege, not a right. Students who need to bring their cell phone to school must keep their phone stored on their person or in their personal belongings. Further incidents will result in the student losing the privilege of bringing a device to school permanently. Distractions include but are not limited to inappropriate internet usage, loud/vulgar music, social media and other forms of non-school related media platforms. The School has adopted a “No Fault” clause with respect to student devices. **In the event a student’s devices or accessories are lost, stolen, or damaged the school is not liable nor will it use resources to investigate or replace these items as use violates school policy.**

### **Definitions:**

#### **Sexual Harassment**

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

- I. Consensual sexual relationships where such relationship leads to favoritism of a student or subordinate employee with whom the teacher or superior is sexually involved and where such favoritism adversely affects other students and/or employees.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

#### **Race/Color Harassment**

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working, and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

#### **Religious (Creed) Harassment**

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

#### **National Origin Harassment**

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an

educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

**Disability Harassment**

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disabling condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like.

**Reports and Complaints of Harassing Conduct**

Members of the ACCA community are encouraged to promptly report incidents of harassing conduct to an ACCA official so that the school may address the conduct before it becomes severe, pervasive, or persistent.

Members of the ACCA community who believe they have been unlawfully harassed by another member of the School District community or a third party are entitled to utilize the Board's informal and/or formal investigation and complaint processes. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file an informal or a formal complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The names and titles of the Anti-Harassment Complaint Coordinators with whom complaints of sexual and other forms of unlawful harassment should be filed are set forth and published annually on ACCA's web site.

**Privacy/Confidentiality**

ACCA will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with ACCA's legal obligations to investigate, to take appropriate action, and to conform to any discovery or disclosure obligations. All records generated shall be maintained as confidential to the extent permitted by law.

**Sanctions and Monitoring**

The ACCA Governing Board shall vigorously enforce its prohibitions against unlawful harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of any relevant contract. In those cases where unlawful harassment is not substantiated, ACCA may consider whether the alleged conduct nevertheless warrants discipline in accordance with other policies.

## **Immunity**

A School District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with this policy if that person reports an incident of harassment, intimidation, and/or bullying promptly, in good faith, and in compliance with the procedures specified in this policy. Such immunity from liability shall not apply to an employee, student, or volunteer determined to have made an intentionally false report about harassment, intimidation, and/or bullying.

## ***UNACCEPTABLE/DISRUPTIVE BEHAVIOR***

Any conduct that disrupts or interferes with the discipline, good order, lawful conduct or administration of any ACCA class or activity constitutes unacceptable behavior. This conduct includes but is not limited to:

1. Disruption of /or threats to disrupt classrooms, activities, and/or operations;
2. Threats to the health and safety of students, employees or other persons;
3. Use of obscenities or demanding, loud, insulting and/or demeaning speech; and/or
4. Unauthorized entry onto school premises and grounds, as well as secure places.

There will be zero tolerance for serious threats towards students/staff/support staff and zero tolerance for those students who engage in physical violence and aggression. Immediate disciplinary action will ensue and administration may require participation in wrap-around services for additional intervention.

## **PROGRESSIVE DISCIPLINE**

Ashland County Community Academy has instituted a Progressive Discipline Policy for student issues. ACCA incorporates Restorative Practices as a part of progressive discipline, with the understanding that punitive action is not always the most effective way to correct the offending behavior, unless the behavior possess serious risk to the health, safety, and well-being of the ACCA Community. School administrators are responsible for overseeing and enforcing discipline and behavior intervention. As part of this policy, a PBIS Committee, comprised of administration, staff members, and support staff, may convene to review certain disciplinary issues and make recommendations for a behavior plan and disciplinary action, moving forward. Below are the types of disciplinary action that are enforced by ACCA administration and staff:

1. **Informal/Verbal Warning to Cease Behavior:** The ACCA employee shall give a verbal warning to the offending party and advise the offender that further incidents will result in formal action by the school. The ACCA employee shall contact the parent/guardian of the offending party to discuss the behavior and possible solutions and interventions to correct it. They will also “process” with the student about their behavior in the hopes of finding root cause and solution. The ACCA employee shall outline their expectations moving forward.
2. **Written Documentation:** After an informal/verbal warning has been issued, continued behavior will be documented in writing and submitted to the school administration for review. Red slip write ups are considered minor infractions, Blue Slip write ups are for cell phone/technology misuse, whereas behavior that requires a Green Form, constitutes a more

serious disciplinary approach. This review may result in disciplinary action and/or parents/guardian may be notified by administration or ACCA staff. Disciplinary action is at the discretion of the administration and include but are not limited to the use of restorative practices, loss of privileges, recommendation of support services, community service, and peer mediation.

3. **Loss of Cell Phone Privileges:** Cell phones are a privilege and will be treated as such. Please be advised that if you send your child to school with a cell phone, they have a personal responsibility to follow all guidelines set forth by ACCA staff. Students are prohibited from cell phone use, especially social-media, gaming, streaming movies/shows, listening to music, while in class. Disruption of the Educational process due to social media engagement will result in loss of cell phone privileges. Students are prohibited from filming/taking pictures while in class and especially without consent. ACCA staff will indicate when cell phone usage is appropriate within the classroom by using the RED, YELLOW, GREEN method. RED indicates all cell phones are away and non-visible. YELLOW indicates that cell phone usage is instructional or used for educational purposes only. GREEN indicates that students may use cell phones recreationally, as long as they are not in breach of the ACCA technology/cellphone use policy. Any student not following the RED, YELLOW, GREEN method appropriately will receive a verbal warning from ACCA Staff. If the warning is ignored, ACCA Staff will require the student to turn their phone into the penalty box that is placed on the teacher's desk. If a student complies and re-engages in the learning environment without distraction, the student will get their phone back at the end of class with the understanding that further cell phone misuse will not be tolerated. A Blue Slip will be written and turned into administration for review. If a student refuses to turn the phone into the penalty box, an administrator will be called and they will confiscate the phone until the end of the day. If further disruption ensues, the Parent/Guardian will be called to speak with the student about their behavior and administration may ban the student from having the cell phone at school for a period of time. Students who abuse the privilege of having cell phones in school on a continuous basis will be required to turn them into administration at the beginning of the day or be banned from bringing them to school for a specific period of time. Parents/Guardians are expected to support the success of their child by not contacting them during class time, and are expected to advise their child not to contact the Parent/Guardian during class time. Students may be on their cell phones during times in which they are not in class (Breaks/Lunch/Advisory) or if ACCA staff has placed the usage on GREEN, only with the understanding that they use their phones in an appropriate manner and according to ACCA policy.
4. **Redemption Room:** When previous steps in correcting student behavior have not succeeded, students will be assigned to the Redemption Room (RR), where restorative practices will be implemented and students have the opportunity to "redeem themselves". These measures are including but not limited to: character education, conflict/resolution, completion of assigned work, reflection exercises, tutoring, and guided reading. A student may be assigned 1-5 days of RR depending on the review of the write-up(s). RR will take place during lunchtime and each student will receive lunch while completing their individualized redemption plan. They must turn in their cellphones to the RR Monitor, for the duration of RR. Students placed in RR will be notified prior to the assignment. Failure to attend RR due to unexcused absence will result in mandatory make-up days. Parents will receive notice informing them of their child's placement in RR, along with a copy of all the write-ups. Any student who refuses to serve RR will be subject to further disciplinary action.
5. **Reflection School:** When previous steps in correcting behavior have not succeeded, or the infracting behavior is repetitive without resolve and constitutes more time for intervention and reflection, a student will be required to attend Reflection School. When a student is assigned to Reflection School, Parent/Guardian will be notified by the ACCA staff who

requested their placement. A written notice from administration, as well as a copy of the write-ups will be sent home. Students assigned to Reflection School are required to stay on the scheduled day, from 2:30-4:30, and must turn in their cell phones. Students will engage in restorative practices and interventions, including but not limited to; character education, conflict resolution, social-emotional learning, community service, restorative justice, tutoring, and self-reflection. 6. **In-School Detention:** Students with repeated infractions or severe behavior issues. Students assigned to ISD will be expected to attend school, turn in their cell phones, complete all school work, exhibit good behavior, and eat lunch while in ISD. ISD will be monitored by ISD staff, administration, or their designee. Failure to attend ISD due to refusal will result in further disciplinary action. Parents/Guardians will be notified immediately of their child's placement in ISD.
7. **Behavior Plan:** If the previous interventions do not lead to a successful outcome, the PBIS committee will schedule a hearing with the student, parent/guardian, staff, and any applicable support service representatives to examine the student's behavior to identify root cause(s) and implement a behavior or academic plan that best fits the student's needs and that incorporates the use of restorative practices, and if warranted the recommendation of counseling, mentoring, or any other intervention necessary to support growth and improvement.
8. **Out-of-School Suspension:** When necessary, students may be suspended out of school for a period of time, between 1-10 days depending on the severity of the infraction, if the behavior is repetitive without resolve, or if the behavior threatens to disrupt the educational rights of the students and safety of the school and its occupants. When ACCA administration begins the suspension process, the Parent/Guardian will be immediately notified by ACCA administration and the proper paperwork will be sent home. During this time students who are suspended must not contact students in the building during school hours and are not permitted on school grounds, unless they have prior consent from administration.
9. **Expulsion:** In cases where student behavior has continued/worsened, or the offense is severe in nature, the student may be expelled from ACCA. Severe offenses include but are not limited to: *possession of weapons, drugs, assault, threats, or presenting a danger*. In these cases, a pre-expulsion hearing will be held to review the details related to the student's behavior and a decision on enrollment made. The Superintendent reserves the right to expel, place expulsion into abeyance, or request a probation plan. As part of the student's right to due process, decisions on expulsions may be appealed to the Board of Education. Appeals must be submitted in writing to the Superintendent within 5 business days of the decision. The home school will be notified of the expulsion.
10. **Police Notification:** In cases where criminal activity is found or a student behaves in such a way that they become a physical threat to staff, students, or school property, the school resource officer and/or local authorities will/may be contacted. Parent/Guardian of the offending student will be contacted by ACCA administration and the School Resource Officer.
